

## Thermostats

<b>\$638</b>	<b>Ecobee Premium</b>
	<ul style="list-style-type: none"> <li>Built-in air quality monitor alerts you to poor air quality</li> <li>Save up to 26%* per year on heating and cooling costs</li> <li>Built-in smoke alarm detection and alerts to possible break-ins.</li> </ul>
<b>\$432</b>	<b>Honeywell T10</b>
	The T10 thermostat works with Smart Room Sensors to help you adjust the temperature and humidity from anywhere and stay cozy in the rooms that matter. It also alerts you when it's time to change your filter or when temperatures swing drastically.

Your Trusted HVAC Company

## Air Purification

<b>\$947</b>	<b>Auto-cleaning Ionization System</b>
	Through our needlepoint bipolar ionization or NPBI™ technology, we help clean indoor air — producing neither harmful levels of ozone nor other byproducts.
<b>\$495</b>	<b>Fresh Aire UV Light</b>
	UV Lamp attacks and kills mold and bacteria that can grow in moist heating and cooling systems, then circulate through your home. Silent operation enhances your family's comfort and health.

## Protection

<b>\$50</b>	<b>SmartAC</b>
	SmartAC is a sensor that helps predict breakdowns before they happen. It tracks air filter health percentage to optimize replacements and can detect water leaks before catastrophic damage occurs.
<b>\$395</b>	<b>Defender Low Level CO Monitor</b>
	The Defender continuously displays Carbon Monoxide levels detected of 5 ppm or more. Visual alert signals are automatically activated at 9 ppm, and audible and visual alarm signals at 15 ppm.
<b>\$184</b>	<b>Emerson SureSwitch</b>
	The SureSwitch Contactor is a universal electronic upgrade for mechanical compressor contactors. This helps protect the compressor from burnouts and short cycling. 5-year limited warranty on part.
<b>\$156</b>	<b>EZ Trap</b>
	Two-part design for use where obstructions prevent direct threading. <ul style="list-style-type: none"> <li>Coverage of the entire condensate drain system. 1 year Manufacturer Part Warranty</li> </ul>
<b>\$174</b>	<b>Wet Switch</b>
	The Wet Switch helps prevent flooding, damage to carpets, walls, furniture, ceilings, etc. It turns the system off when moisture due to condensate or drain leaks is detected.
<b>\$280</b>	<b>AG 3000 Surge Protector</b>
	Protect your HVAC equipment in the same way you'd protect your electronics: with a state-of-the-art surge protector. The AG3000 Surge Protector will prevent a power surge from killing your system.
